

Our Core Values

The CRYs approach ensures that its work is:

- Respectful of young people and founded on a belief that young people can respond to the issues facing them

- Founded on the needs of young people themselves and a commitment to ensure their safety and well-being

- About establishing and maintaining positive relationships with the young people we engage

- Informed by a commitment to provide skilled specialised services to young people at risk

- Underpinned by the principle of voluntary participation of young people

- Inclusive of all young people and strengthened by diversity

- Based on continually improving quality in order to develop best practice

- Underpinned by mutual respect between colleagues, clients, parents and external agencies

- Founded on team work and a professional approach to our work encompassing openness and support between colleagues

- Enhanced by a positive approach and pride to our work, a passion for making things better and a good sense of humour where needed!

- Based on a commitment to working in partnership with external agencies
